

# HOME FURNISHING CONFERENCE & EXHIBITION

---

Vigyan Bhawan, New Delhi  
25th - 27th June'24

# INTRODUCTION

Home furnishings are items placed in a room to make it comfortable and appealing. They include all the movable items such as furniture, curtains, carpets, and décor items that complement the room's design. Home furnishings are an essential part of interior design, and they can give a room a unique personality. They enhance a room's functionality, aesthetic appeal, and coziness. Home furnishings are important because they play a crucial role in transforming a house into a comfortable and inviting home.

All Home Furnishing accessories will be displayed in our **Conference and Exhibition from 25th - 27th June 2024 organized at Vigyan Sabha, New Delhi.**

## THE IMPACT OF HOME DECOR EXHIBITIONS

- ◆ The showcase of novel ideas and captivating designs translates into a domino effect where manufacturers continuously innovate to appeal to an increasingly discerning client base, driven by insights gleaned from these exhibitions.
- ◆ Varied offerings from manufacturers.
- ◆ The market sees a surge in diversified offerings — sustainable materials gain prominence, bespoke furniture becomes more accessible
- ◆ The technology behind these virtual setups is progressively evolving, allowing exhibitors to present their designs in impressive detail

## KEY HIGHLIGHTS

- Importers or manufacturers and buyers of Home Furnishing products like furnishing fabrics, curtains & blinds; decorative made-ups; bed linen & decorative beddings; mattresses & pillows; comforters & blankets; towels & bath linen; table & kitchen linen; carpets & floor coverings will find a common platform at the exhibition 2024.
- India Home Furnishing Exhibition will see participation of more than 100 home furnishing and home décor companies not only from India, but also other countries. Additionally, over 200 buyers are expected to visit the four day mega event.
- Exhibition 2024 will provide exhibitors an opportunity to meet and interact with high quality buyers as decision makers, founders, CEOs, directors, sourcing heads, merchandising managers, purchase managers and material managers will visit the exhibition.
- It offers a platform to launch new products, make new contacts and maintain existing relationships – with more qualified buyers and decision makers than any other event in India.

## WHO SHOULD ATTEND?

- International Brands and manufacturers, wishing to introduce themselves to Indian market
- Established brands and manufacturers in home textiles, home decor and services
- Brands wishing to get instant feedback from the trade to your new business ideas in home category
